Describe your current farming situation...

- ✓ Describe the level of farm experience you have.
(e.g., grew up on farm and/or have been farming for 5 years already, and/or have interned on farm for 2 years etc.)

- ✓ What kind of agricultural enterprise is it?
(e.g., what will you grow and/or raise?)

- ✓ Where is it located?

- ✓ What type of land arrangement is it?
(e.g., do you own, lease, etc.?)

- ✓ Who is involved?

- ✓ Do you farm full time or part time
(e.g., full time or part time business?)

Describe your ideal farm...

- ✓ What would you like to change, modify, or add to your current operation or situation?
(e.g., more acres, diversify commodities, etc.)

- ✓ *What is your ideal, agriculture success story?*
(e.g., where would you like to be in 10 years, 20 years?)

Questions are based off those developed by the Virginia Beginning Farmer and Rancher Coalition Program for the Whole Farm Planning Curriculum.

Intro. to Whole Farm Planning for Farmers with Experience

Knowledge, Skills, and Experience

- ✓ What knowledge, skill base, and prior experience do you already possess?

- ✓ What knowledge and skills do you need to develop as you expand your farming operation?

- ✓ What additional resources and information do you need in order to learn more about the various aspects of your farming operation? (e.g., production, marketing, transition, etc.)

Time, Energy, Health, and Labor

- ✓ Do you work off farm?

- ✓ If so, how many hours are you able to devote to the overall farm enterprise?

- ✓ If you do work off farm, do you plan to continue as your farming operation expands? At what point would you quit your off farm job?

Land & Infrastructure

- ✓ How much land is necessary to carry out your farm enterprise?

- ✓ Are there specific infrastructure needs?
